

JIM ELLIS

DDS

Thank you for making an appointment with our office. We are looking forward to seeing you.

Our office is on the left side of the second floor of the building. The building is equipped with a service elevator that can accommodate wheel chairs and patients unable to climb the stairs. Please inform us upon making an appointment that this service will be needed. Simply enter through the handicapped signed door, ring the door bell labeled "James w. Ellis, DDS" and someone will bring the elevator down to you.

The following map with some familiar landmarks should be helpful to you. If you have any questions, please feel free to call us.
